

NJHS UPDATE

March 11, 2019

After the report cards for the first semester September 2018- January 2019 are mailed we will calculate GPA's. At this point all qualifying 8th and 9th grade students will receive an invitation to apply to the National Junior Honor Society. The letter will have important information regarding the application process and deadlines. At this time current members will also receive notification of GPA's and Current member forms that must be filled out with appropriate documentation.

Please do not send any documentation until you receive these letters. If you have any questions you may contact Mrs. LaGumina and Mrs. Freeman via email or you may download the requirements form on the NJHS Moodle page or through the Parent Portal.

Thank you very much,

Mrs. Freeman & Mrs. LaGumina
